

AMAZON EXPEDITIONERS

NOMADIC SURVIVAL EXPEDITIONS

TRAVEL RISK ACKNOWLEDGEMENT STATEMENT

Before Amazon Expeditioners can proceed with good expectations with the development and execution of its expeditions within the Amazonia, it is very important for us to ensure that each participant understands, as a general and basic rule, that everyone is committed to complying with the practices of good behavior and respect towards others around, participants and locals. As well with all local regulations established within rural and natural areas in order to protect and preserve them. It is highly recommended to carefully follow all instructions given by the team leader assigned to your group. If any participant chooses not to follow instructions and consequently his/her actions end in an unexpected accident, each participant will assume full responsibility for his/her own irrational actions.
